## Insight into the best of Germany

Insight Vacations has a brand new escorted tour, The Best of Germany, which will appeal to those with an interest in German tradition and culture, medieval architecture, and World War 2 history.

The tour is a storybook adventure, filled with fairytale castles and medieval settings. Wander the old world charm of Rothenburg and Nuremberg, admire the amazing rebirth of Dresden's baroque splendour, and visit beautiful Neuschwanstein, a true fairytale castle.

Other places on the itinerary include the cathedral and Goethe's house in Frankfurt; Heidelberg Castle and its views over the old town and Neckar River; Munich's Olympic Stadium and old town, and the theatre and chalets in Oberammergau, home of the Passion Plays. There is also a visit to Berlin that includes the Brandenburg Gate and Reichstag building and the spectacular boulevard of Unter den Linden.
