The Art of Travelling in Style

Your Pre-Travel Checklist

Because navigating travel requirements can be challenging, we've put together this handy checklist to help you prepare for your upcoming trip. All requirements must be satisfied to travel, so we recommend completing each item as soon as you can to ensure your Insight vacation is seamless and stress-free.

CHECK CURRENT TRAVEL RESTRICTIONS

It is important, and your responsibility, to stay well-informed about requirements and guidelines for the countries you are travelling to and from. Some countries require proof of a negative COVID-19 test, regardless of vaccination status, before travel; some countries require specific types of tests. Due to the rapid change of travel restrictions, we recommend you check insightvacations.com/travel-requirements frequently and verify travel and entry requirements up until your departure. Airline requirements may vary for boarding, please validate directly with the airline prior to check-in.

VERIFY YOUR VACCINE STATUS

All guests travelling with Insight Vacations through December 31, 2022 are required to be fully vaccinated against COVID-19, which may include a booster shot to keep it current and valid, depending on the travel destination. We ask that you submit proof of your vaccination status to us around 60 days prior to your trip departure. Children not eligible for vaccination and/or booster at the time of travel must provide a verifiable and negative Covid-19 test result, taken within 72 hours prior to the start of the tour (taking time zones into consideration) until further notice.
